# Tires That Stand Up

The average car is called upon this year to do more work and harder work than ever before. Loads are bigger. Trips more

frequent. More constant service is demanded. Time must be saved.

Now if ever, the car owner must select tire equipment wisely to get the greatest use of his car. United States Tires are built up

to the job. They have the stuff and workmanship in them to stand up long after they have paid for them-selves in faithful service.

Whether your car is heavy or light, passenger car or truck, there is a type of United States Tire scientifically made to fit your needs, to give you greater freedom

from tire delays, -to give extreme mileage at minimum cost.

Consult the nearest United States Sales and Service Depot. It is there for your convenience.
